

APPARIER UN DESSIN GEOMETRIQUE A SA DESCRIPTION - Fiche 1

1. One big circle. Four small circles. Three big triangles. One small triangle.	2. Two big circles. Three small circles. Two big rectangles. One small rectangle. Two squares. Two lines.	3. One big square. One small square. One rectangle. Four circles.	4. One big circle. Six small circles. Two big rectangles. Three small rectangles. One triangle. Two lines.
5. Two circles. One big rectangle. Two small rectangles. One big square. One small square.	6. Three big triangles. One big rectangle. Two small rectangles.	7. One big square. One rectangle. Two little squares. One triangle.	8. One big square. One little triangle. One rectangle. Two little squares.
9. Two big circles. Five little circles. Four triangles. Two rectangles.	10. Two big circles. Five little circles. Two little triangles. One rectangle.	11. Two big rectangles. Four small rectangles.	12. One big rectangle. Three small rectangles. Three small circles.
13. Two circles. One big triangle. Three lines. Two little triangles. One little rectangle.	14. Three triangles. Two big rectangles. Two small rectangles. One little square.	15. One big rectangle. Three small rectangles. Three small circles. Two little squares.	16. One big triangle. One big circle. Three small circles. Four lines.

Ce document (fiche 1 et fiche 2) est accompagné :

- de 16 fichiers image (une image par dessin géométrique), dénommés **2- Dessin 1** à **2- Dessin 16**
- de 16 fichiers MP3 (un fichier MP3 par description), dénommés **2- Description 1** à **2- Description 16**.
