

# The three little pigs version courte (exploitation proposée)

Once upon a time there were three little pigs.  
One pig built a house of straw. One pig built a house with sticks. One pig built a house with bricks.

A big bad wolf saw the little pigs and thought, "What juicy tender meals they will make!"

The big bad wolf went to the first house and huffed and puffed and blew the house down in minutes.

The frightened little pig ran to the house that was made of sticks. The big bad wolf huffed and puffed and blew the house down.

Now, the two little pigs were terrified and ran to house that was made of bricks.  
The big bad wolf tried to huff and puff and blow the house down, but he could not.  
The house was very strong and the little pigs were safe inside.

He tried to enter through the chimney but the third little pig boiled a big pot of water. The wolf fell into it and died.

The two little pigs now felt sorry for having been so lazy. They too built their houses with bricks and lived happily ever after.
